

Are You Ready if the OSHA Inspector Walks Though Your Door?

Be prepared, with SDSL, the most comprehensive database of veterinary Safety Data Sheets (SDS) for your hazardous products.

Maintaining a traditional paper SDS binder can be challenging, taking up important staff time and costing additional payroll. SDSL Autobinder is the first digital binder for creating, housing and accessing your practice's entire SDS library.

**Protect Your Patients,
Protect Your Staff,
Protect Your Practice**

Penn Vet Customer Offer Only \$15/Month

(Regular Price \$19/Month)
