

Magnifier

Wave LED

A larger viewing area and LED energy saving technology.

The Wave LED has a new sleek head design to complement any office décor. Offered in a unique and powerful 3.5 diopter magnifier, the Wave LED is superior in both form and function. The dual independent LED light sources offer enhanced performance, as well as a user controlled energy saving option.

Features

- Shadow-free magnification using symmetrical lighting or 3-D magnification using asymmetrical magnification.
- Self-balancing shade and hands-free neck assembly make precise adjustments easy.
- 45" articulating K-arm standard.
- 6.75" x 4.5" rectangular white crown optical-quality glass lens.
- Equipped with two 6W individually controllable LED modules.
- Automatic 9/4 hour auto shut-off feature and (0-50-100%) step dimming to support energy savings.
- No drift spring-balanced arm allows complete freedom of movement.
- Standard table edge clamp mount included. Optional accessories available: surface mount bracket and weighted rolling floor stand.
