

WE MAKE ULTRASOUND EASY AND PROFITABLE!

THE ULTRASOUND STORE, INC.

EXPERTS IN SOUND

Ultrasound * Simple * Affordable

READY TO AMAZE!

Produce high resolution ultrasound images in seconds. A simple to use, wireless ultrasound machine in your shirt pocket.

DEVELOPED FOR VETS!

Quick, intuitive and optimized for whole body animal imaging. Just select the area of the body to be scanned from the exam presets.

SUPER DURABLE

Survives drops from 4 feet! It can even be submerged! Nothing can beat the word of mouth advertising you get from cutting edge technology!

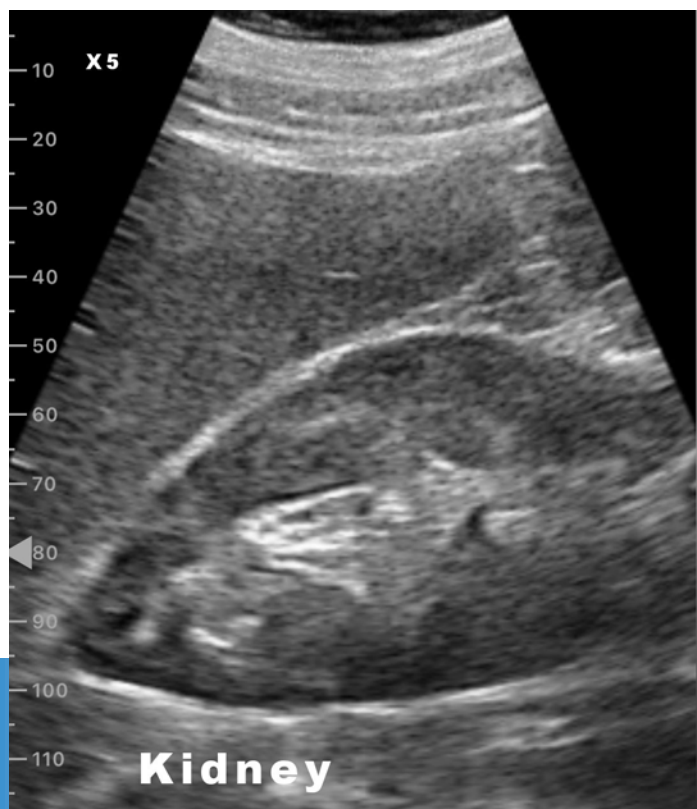

SIMPLE - AFFORDABLE

We make ultrasound easy and profitable.

ULTROS X5 POCKET SIZED WIRELESS ULTRASOUND

CONVEX AND LINEAR PROBES IN ONE UNIT

It provides amazing image quality. This is the smallest wireless dual probe ultrasound available. Small enough to fit in your shirt pocket. At 4.75 x 2.0 x .75 inches and just 4 oz., it's smaller and lighter than smartphones! Scan for up to 5 hours on a single charge. Want to take a quick look? From your pocket to scanning in seconds! Makes the perfect AFAST and TFAST tool. Cystocentesis in a snap!

INCLUDES FREE TRAINING

*In-office, sonographer guided training on your own patients. **10 free training sessions included with your purchase.** With a We See You Solutions sonographer, you'll develop the skills to confidently build diagnostic cases specific to you and your goals. **Need help with interpretations?** You can get access to our radiologist or cardiologist.*
