## MULTI-FUNCTIONAL INTENSIVE CARE UNIT

This newly design ICU is a must have for any veterinary hospital that aims to provide quality care to critically ill patients. Our Multi-Functional Care Unit is a cost-effective solution for care providers in need of providing, post-natal care, post-surgical care, avian and exotic care, respiratory care, and an overall comforting and therapeutic environment for critically ill.

- Controlled Temperature Settings
- Controlled Humidity Settings
- Oxygen Monitoring Functions
- 10 Stage Therapeutic Lights
- UV Disinfection Lighting
- Negative Ion Generator
- Optional Nebulization

**Controlled Temperature.** Each unit comes with programmable and adjustable temperature settings that range from 59°F-102°F. The unit quickly heats to your desired temperature within 5-20 minutes.

**Controlled Humidity.** The programmable and adjustable humidity settings vary from 40% humidity to 80% humidity with a very easy to use water tank. The LED display will alert you to low water levels in the water reservoir.

**Oxygen Monitors.** Integrated into the ICU is an oxygen sensor. You can set the sensor to alert you should the oxygen levels within the unit go below your desired concentration.

**Nebulizer.** An external nebulizer can be fully integrated into this machine's functions. You will be able to set nebulization for 10- or 20-minute intervals using the unit's control panel. (Optional)

**Membrane Touch Controls**

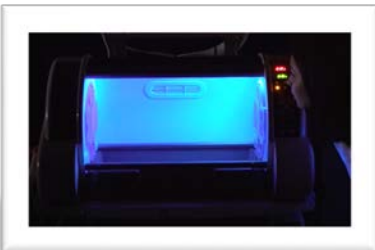

**Therapeutic Lighting.** This multi-functional care unit is also equipped with 10 stage amber lighting, allowing you to provide a therapeutic environment for all your pet patients.

**Negative ION Generation.** This machine also has the capability of creating negative ions. Useful for creating a healing environment.

**Nebulizer (optional)**

**UV lighting.** Included in the functions of this machine is an Ultraviolet disinfection light, allowing you to help maintain an environment that is sanitary and free from any cross contamination.

**UV Lighting**

**Easy to Clean.** With easy to remove floor grate and drain pan, we have made this unit very easy to clean. Just a slight pull of the bottom tray will make cleaning animal waste easy. Each machine comes with a manufacturer's warranty for all parts and labor of 1 year. This unit has been engineered and built to make it very easy to replace and update the components should the need arise.
